Please join us at Kentucky's largest annual gathering of consumers and Peer Support Specialists. The KYSTARS Consumer Conference is a great place to learn, grow, share and network with peers from all areas of the state!

Once again we are offering a single spot for Peer Support Specialists to earn their required six (6) hours of continuing education. So join us and be part of the Recovery Star Community!

Again this year we are offering specific workshop tracks for:

1. Peer Support Specialists (APSS, YPSS, & FPSS) working in All Behavioral Health Programs (Mental Health/Substance Use)
2. Consumers that work/volunteer in Consumer Operated Programs
3. Consumers of BH services.
4. Providers that work with Peer Specialists

In addition, there will be general recovery workshops open to everyone. All workshops are approved for continuing education credits for Peer Support Specialists. For specific workshop information or to nominate someone for a Peer Excellence Award, go to www.KYSTARS.org.

Attendance at 6 workshop sessions meets the Adult Peer Support Specialist continuing education
